

AGIL Fence Perimeter Intrusion Detection System Questionnaire

This questionnaire is intended to provide site information for budgetary estimation in the preliminary phase. Please provide us as much information as possible and submit the form to AGILFence@stengg.com.

Enquirer Details			
Enquirer:	End-User	System Integrator	
Company Name:			
Point of Contact (POC):		POC Designation:	
POC Email:		POC Contact Details:	

General Project Information			
Name of Installation:		Installation Address / Coordinates:	
City / Country:		Total Site Perimeter Length (m):	
Type of Installation:	<input type="checkbox"/> Aviation <input type="checkbox"/> Military <input type="checkbox"/> Ground Transportation <input type="checkbox"/> Telecommunication <input type="checkbox"/> Administrative <input type="checkbox"/> Others (specify): <input type="checkbox"/> High Security <input type="checkbox"/> Resource/Facilities		
Type of System Required: (may select multiple if required)	Fence / Wall Intrusion Detection System (Please fill in S/N 1) Total fence / wall length to cover: Drain Intrusion Detection System (Please fill in S/N 2) Total length / no. of drains to cover:		

Existing Security System Architecture					
Any existing FIDS in your installation?	Yes	No	If yes, please state brand & type:		
Does your existing security system consists of:					
CCTV Cameras	Yes	No	If No, do you want us to supply?	Yes	No
Any existing Security Management System (SMS)?	Yes	No	If Yes, is integration to the SMS required?	Yes	No
Any existing Video Management System (VMS)?	Yes	No	If Yes, is integration to the VMS required?	Yes	No
No. of Security Monitoring locations? (e.g. Guardhouses)			Local / Remote Monitoring needed?	Yes	No

1. Existing Fence / Wall Configuration (Select multiple, if more than one fence-type configuration)				
<input type="checkbox"/>	Chain-Linked Fence 	Total Length (m):		
		Height (m):		
		Width (m):		
		Wire Diameter (mm):		
		With Barbed wire:	Yes	No
		With Concertina wire:	Yes	No
<input type="checkbox"/>	Welded-Mesh Fence 	Total Length (m):		
		Height (m):		
		Width (m):		
		Wire Diameter (mm):		
		With Barbed wire:	Yes	No
		With Concertina wire:	Yes	No
<input type="checkbox"/>	Brick / Concrete Wall 	Total Length (m):		
		Height (m):		
		Width (m):		
		Wall Thickness (mm)		
		With Barbed wire:	Yes	No
		With Concertina wire:	Yes	No
<input type="checkbox"/>	Palisade Fence 	Total Length (m):		
		Height (m):		
		Width (m):		
		With Concertina wire:	Yes	No
<input type="checkbox"/>	Half Wall & Half Fence, please attach photos, drawings & describe: 	Type of Top Fence:		
		Height Top Fence (m):		
		Width Top Fence (m):		
		Length of Wall (m):		
		Height of Wall (m):		
		Width of Wall (m):		
		With Barbed wire:	Yes	No
		With Concertina wire:	Yes	No
<input type="checkbox"/>	Any other types, please attach photos, drawings & describe:	Total Length (m):		
		Height (m):		

Notes:

- If possible, please provide photographs for each type of fence existing along your perimeter.
- *Total Length (m)*: Overall length for that specific perimeter type in your installation.
- *Height & Width (m)*: The interval distance between the fence strut and its height.

- *With Barbed Wire:*

- *With Concertina Wire:*

1. Existing Fence / Wall Configuration (Select multiple, if more than one fence-type configuration)				
		Width (m):		
		With Barbed wire:	Yes	No
		With Concertina wire:	Yes	No

Existing Fence posts / poles		Dimensions	
<input type="checkbox"/> Metal posts / poles	<input type="checkbox"/> Concrete columns	Height of Fence posts / poles (m):	
<input type="checkbox"/> Wooden columns	<input type="checkbox"/> Others (specify):	Width of Fence posts / poles (m):	

2. Drain Configuration			
<input type="checkbox"/>	Please attach photos, drawings & describe:	Type of Drain:	
		Number of Drains:	
		Continuous Drain:	Yes No If yes, please indicate total length:
		Height (m):	
		Width (m):	
		Length (m):	
		Thickness (mm):	

Drain posts (leave blank if none)		Dimensions	
<input type="checkbox"/> Metal posts / poles	<input type="checkbox"/> Concrete columns	Height of Drain posts / poles (m):	
<input type="checkbox"/> Wooden columns	<input type="checkbox"/> Others (specify):	Width of Drain posts / poles (m):	

Existing Gate Types (Select multiple, if more than one type)					
<input type="checkbox"/>	Sliding Gates	Length of Gate (m):			No. of Active gates:
		Height (m):			
		Width (m):			
		With Barbed wire:	Yes	No	No. of Inactive Gates:
		With Concertina wire:	Yes	No	
<input type="checkbox"/>	Swing Gates	Length of Gate (m):			No. of Active Gates:
		Height (m):			
		Width (m):			
		With Barbed wire:	Yes	No	No. of Inactive Gates:
		With Concertina wire:	Yes	No	
<input type="checkbox"/>	Other types, please describe:	Length of Gate (m):			No. of Active Gates:
		Height (m):			
		Width (m):			
		With Barbed wire:	Yes	No	No. of Inactive Gates:

Existing Gate Types (Select multiple, if more than one type)		
	With Concertina wire:	Yes No

Existing Camera Types (Select multiple, if more than one type) (Leave this section empty if N/A)				
<input type="checkbox"/>	Fixed Cameras	Estimated No. of Cameras:		Remarks:
		Brand of Cameras:		
		Model of Cameras:		
<input type="checkbox"/>	PTZ Cameras	Estimated No. of Cameras:		Remarks:
		Brand of Cameras:		
		Model of Cameras:		
<input type="checkbox"/>	Thermal Cameras	Estimated No. of Cameras:		Remarks:
		Brand of Cameras:		
		Model of Cameras:		
<input type="checkbox"/>	Other types, please describe:	Estimated No. of Cameras:		Remarks:
		Brand of Cameras:		
		Model of Cameras:		
		Brand of Radars:		
		Model of Radars:		

Additional Information

Site Diagram

Please attach a drawing (or photographs) of the installation site. Kindly follow the checklist of information below, for us to provide a precise and complete list of materials for a quotation.

Checklist of key features to indicate on the sketch / drawing:

- | | | |
|--|---|---|
| <input type="checkbox"/> Perimeter types / dimensions | <input type="checkbox"/> Location of AC power source | <input type="checkbox"/> Dimensions of gates |
| <input type="checkbox"/> Drain locations | <input type="checkbox"/> Monitoring locations (e.g. guardhouse) | <input type="checkbox"/> Gate locations |
| <input type="checkbox"/> Location of buildings on site | <input type="checkbox"/> Location of equipment rooms | <input type="checkbox"/> Types of gate (swing or sliding) |

Additional Images(If any):

Please attach a drawing (or photographs) of the installation site.
